

CONTRIBUTION FINDER

Giving to charity is a great way to do a good deed and save tax dollars at the same time. Your contribution is deductible if it is made to a "qualified organization." You can use the following chart adapted from IRS Publication 526 as a guide:

Receipts from the charity are needed for contributions of \$250 or more.

CANCELLED CHECKS, RECEIPTS OF PURCHASE, OR ACKNOWLEDGEMENTS FROM THE CHARITY ARE REQUIRED FOR DONATIONS OF ANY SIZE.

DEDUCTIBLE

Money or property given to:

- Churches, synagogues, temples, mosques & other religious organizations
- Federal, state or local governments solely for public purposes
- Non-profit schools & hospitals
- Public parks & recreational facilities
- Charitable non-profit organizations, e.g. Salvation Army, Red Cross, Goodwill, Scouts, etc. (See IRS Publication 78 for a complete list.)
- War veterans' groups
- Having an exchange student live with you (up to \$50/month)

Receipts are needed for contributions of \$250 or more.

NOT DEDUCTIBLE

Money or property given to:

- Civic leagues, social & sports clubs, labor unions, chambers of commerce
- Most foreign organizations
- Groups run for profit
- Groups whose purpose is to lobby
- Homeowners' associations
- Individuals/Benefits (no matter how needy they are)
- Cost of raffle, bingo or lottery tickets
- Dues paid to country clubs, lodges, fraternal orders, etc.
- Tuition
- Value of your time or services
- Value of blood given to a blood bank

Out-of-pocket expenses in giving services: Even though you cannot deduct the value of your time or service, you can deduct out-of-pocket expenses in performing such services, e.g. uniforms, supplies, travel as a delegate (if there is no significant element of personal pleasure) & mileage at 14¢ per mile. Remember to save receipts for your expenses.

Contributions from which you benefit: You can deduct only the amount of your contribution that is more than the amount of the benefit, e.g. if you buy an item at a charitable auction for \$25 and it is worth \$20, you can deduct \$5.

Who to give to?

Not sure of where to start? Try **CharityNavigator.org** for guidance. They have valuable information on how to pick a charity. Another useful site is **JustGive.org**. They list 1.5 million charities by category and include a profile of each group's purpose and a summary of their finances, which shows the % of money that went to the actual programs vs. administrative costs. You can donate to the charity of your choice through them at **www.JustGive.org** or call toll-free at 1-866-JUSTGIVE (587-8448).

Eyeglasses:

Lions Clubs collect used eyeglasses for distribution to those in need around the world. Collection boxes can be found throughout your community including at Goodwill Industries stores, LensCrafters and offices of members of the American Optometric Association. For a list of centers go to **www.lionsclubs.org** or check your phone book for a local chapter.

Cell Phones:

You can donate your used wireless phone to aid in the fight against domestic violence. Just mail the phone (if still in working condition), battery and charger to **Call to Protect**, 2555 Bishop Circle West, Dexter, MI 48130, or go to **www.wirelessfoundation.org** to find a collection site near you.

Vehicles:

America's Car Donation Charities Center processes donations for hundreds of charities nationwide. You can choose the charity you want to benefit from your donation of a car, boat or RV. To maximize a vehicle donation, give to a charity that uses it or gives it to someone in need. Go to **www.donateacar.com** or call 1-800-237-4336.

The IRS publishes a list of qualified organizations. Refer to IRS Publication 78, *Cumulative List of Organizations* to verify if an organization is eligible to receive tax-deductible charitable contributions. You can access this information online by visiting **www.irs.gov/Charities-&-Non-Profits/Publication-78-Help**.

NONCASH CONTRIBUTIONS

A TAXPAYER'S GUIDE

The IRS allows you to deduct the *fair market value* of items donated to charity. The *fair market value* is the price a typical buyer would actually pay for an item of the same age, style, and use. Usually items are worth far less than you paid for them. Used items must be in good or better condition, and items of minimal value such as socks and underwear will be disallowed. It is wise to document your gifts with photographs and keep detailed information on the items given. Use the price ranges below to select a value indicative of the price you paid for the item and its condition. Price range maximum is for higher-end goods in excellent condition. When in doubt, do not exceed 10% of the purchase price. **For a valid deduction, a dated receipt, FMV calculation, and original cost information *must* be provided.**
