# HOUSEHOLD GOODS VALUATION

- Use this worksheet to record the cost and Fair Market Value (FMV) of household and personal items for insurance and casualty loss purposes. Collectibles and items of high value may need to be appraised -- check with your insurance agent.
- It is a good idea to also photograph or videotape all of your possessions, and keep a copy in a secure place off the premises.
- Keep receipts.

| ENTRANCE HALL Item | No. of Items | Cost | Fair Mkt. Value |
|---|---|---|---|
| Blinds/curtains | | | |
